

K-LOVE is a positive inspiration to my family. My children know the music and understand its positive message of hope and God. I am inspired by the music myself.

I believe in a time where people are searching for hope in their lives and the world around us K-LOVE helps people hear of hope. It would be a great major injustice if K-LOVE was removed from the airways because of an LPFM broadcaster providing other programming. I believe the service K-LOVE provides in my community is of public interest. I further believe we need to inspire more hope in our society so we grow in a positive direction, away from fear, disaster and death. K-LOVE helps keep you looking at the positive side of life and love. Please do not allow the LPFM stations to have priority over FM translator services.

Sincerely,  
Marvin Jones
